

# 4th Grade Test Correction Directions

## WHO can complete test corrections?

**Anyone!** It does not matter what grade your received on the test.

NOTE: If you received a grade **under 75%** you **MUST** do test corrections.

## WHAT are test corrections?

Test corrections are a way to earn **half credit** back on any questions that you may have gotten wrong. They must be completed by the **student**.

The following assessments can be corrected:

- **Math-** Mid-Module & End-of-Module Assessment
- **Religion, Social Studies & Science-** End of Unit assessments

## WHERE do I hand in the test corrections?

You may hand in test corrections in the morning or at the beginning of class to the teacher. You will need to include the **Test Reflection Sheet and Test**.

## WHEN are test corrections due?

Test corrections are to be completed **one week** after the test is handed back (but can be turned in before then of course!)

## WHY should I do test corrections?

1. It is important to LEARN from your mistakes "**MISTAKES are PROOF that you are TRYING... as long as we FIX them**"
2. Mathematics BUILDS off of itself. This means that if you don't understand one concept, it can affect your understanding of other concepts. All subject areas are available for test corrections!
3. You can **improve your test grade!**

## HOW do I complete test corrections?

1. Fill out the Test Reflection Sheet
  - In order to receive credit back on questions, you must COMPLETELY redo the question.
  - This includes showing ALL work (even if you just made a simple adding error).
2. Place the **Test Reflection Sheet** *in front* of the **test**.
3. Hand the Test Reflection Sheet and test to your teacher in the morning or at the beginning of the class.
